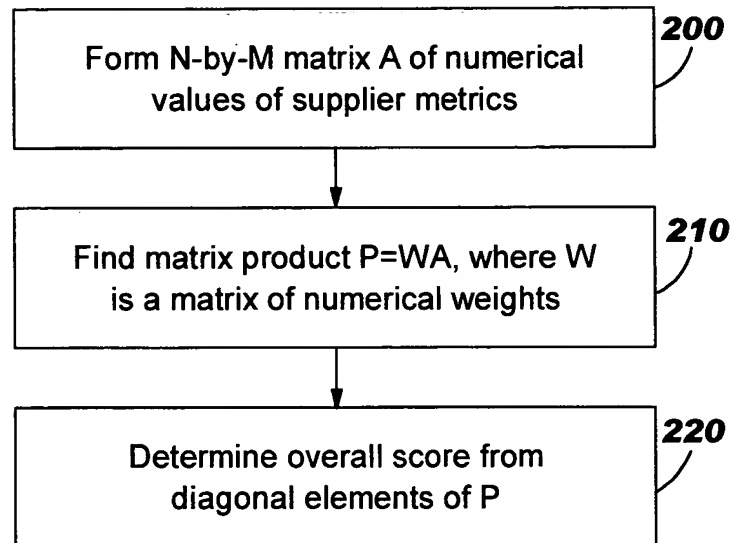

FIG. 3

Figure 1 illustrates the calculation of the 3/3 ratio. The diagram shows three matrices, 301, 302, and 303, arranged in a sequence. Matrix 301 is a 10x10 grid of values ranging from 0.00 to 0.70. Matrix 302 is a 10x10 grid of values ranging from 0 to 3. Matrix 303 is a 10x10 grid of values ranging from 0 to 2.8. The matrices are arranged in a sequence: 301, 302, and 303, with an equals sign between 301 and 302, and a 3/3 ratio symbol above 303.
